This diagram shows an exploded perspective view of a circular electronic device. The main housing is labeled 1. The top cover is labeled 4. The base is labeled 2. The device features a central vertical assembly with multiple layers, including a top layer labeled 11 and a middle layer labeled 12. The base contains several cylindrical components labeled 50, 51, 52, 59, and 76, along with a rectangular component labeled 75. Other labeled parts include 13, 14, 15, 16, 17, 62, 65, 71, 74, and 75. The diagram illustrates the internal structure and the arrangement of various components within the device.
